REDEFINING YOUR CORPORATE AVATAR

ABOUT US

Our history and innovations

Regal Uniforms is a futuristic and innovative company that designs and manufactures workwear. We strive to develop and cater to all your employee branding requirements.

The founder Bhavesh Gala established this company in 2005 after gaining experience in this industry for several years. In our humble beginning, we started as a small store focusing on one segment and now we have expanded into various segments of the industry.

We have been actively innovating in the Indian workwear market with new products like - Denim-based HORECA Uniforms; 100% Organic Cotton Uniforms; Anti-Wrinkle Shirts; Fire-Retardant Workwear; PPE Kits; Hemp fabric-based Overall Suits; and we are continuously experimenting towards sustainability & quality enhancement.

Our Vision

To become the most trusted partners for uniforms and employee-branding solutions through customer centrisms and high-quality standard maintenance.

Our Mission

We strive to offer our customer the best quality products at value for money prices with utmost convenience

Our Values

Partnership

We believe in establishing long term partners with our clients and make it profitable for everyone involved.

Excellence

We hold ourselves and the companies we work with to the highest standards.

Integrity

We believe in trust, transparency, honesty and we love working with mutual respect and moral principles.

Our Approach

Great Quality and Finish at Competitive Rates

Over the years, we have learned to bring the exact equilibrium between the low-cost manufacturing, excellent quality of the fabric and the exceptional garment finish.

Flexible Production

Our in-house production facilities, along with our local SME partners, makes it flexible for us to fulfil your requirements & serve you the best.

Relationship Building

We believe in creating a long-term relationship and nurture the strengths of strategic partnerships.

Customer Service

Our main aim is on your satisfaction and retention as partners. Reliable and excellent customer support (not only before but more importantly after) are our pillars.

Our USP

Responsible & Ethical Manufacturing

We take the responsibility and measures to ensure the well-being of our team. Our manufacturing process is free from harmful health hazards. We utilize energy responsibly.

The Bombay Finishing

The artisans of Bombay are the best in India. As our production facility is located in Bombay, we support these local artisans while maintaining excellent quality.

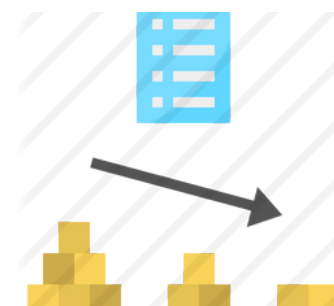

Made to Measure Orders

For demanding industries like Aviation, we can manufacture perfectly fitted uniforms through our remote measurement-taking processes.

Shorter Shipping Time & Reduced Import Duties

We enjoy a reduced shipping time of 25-40 days due to the location of our location in the port city of Mumbai. Indian suppliers enjoy lower import duties.

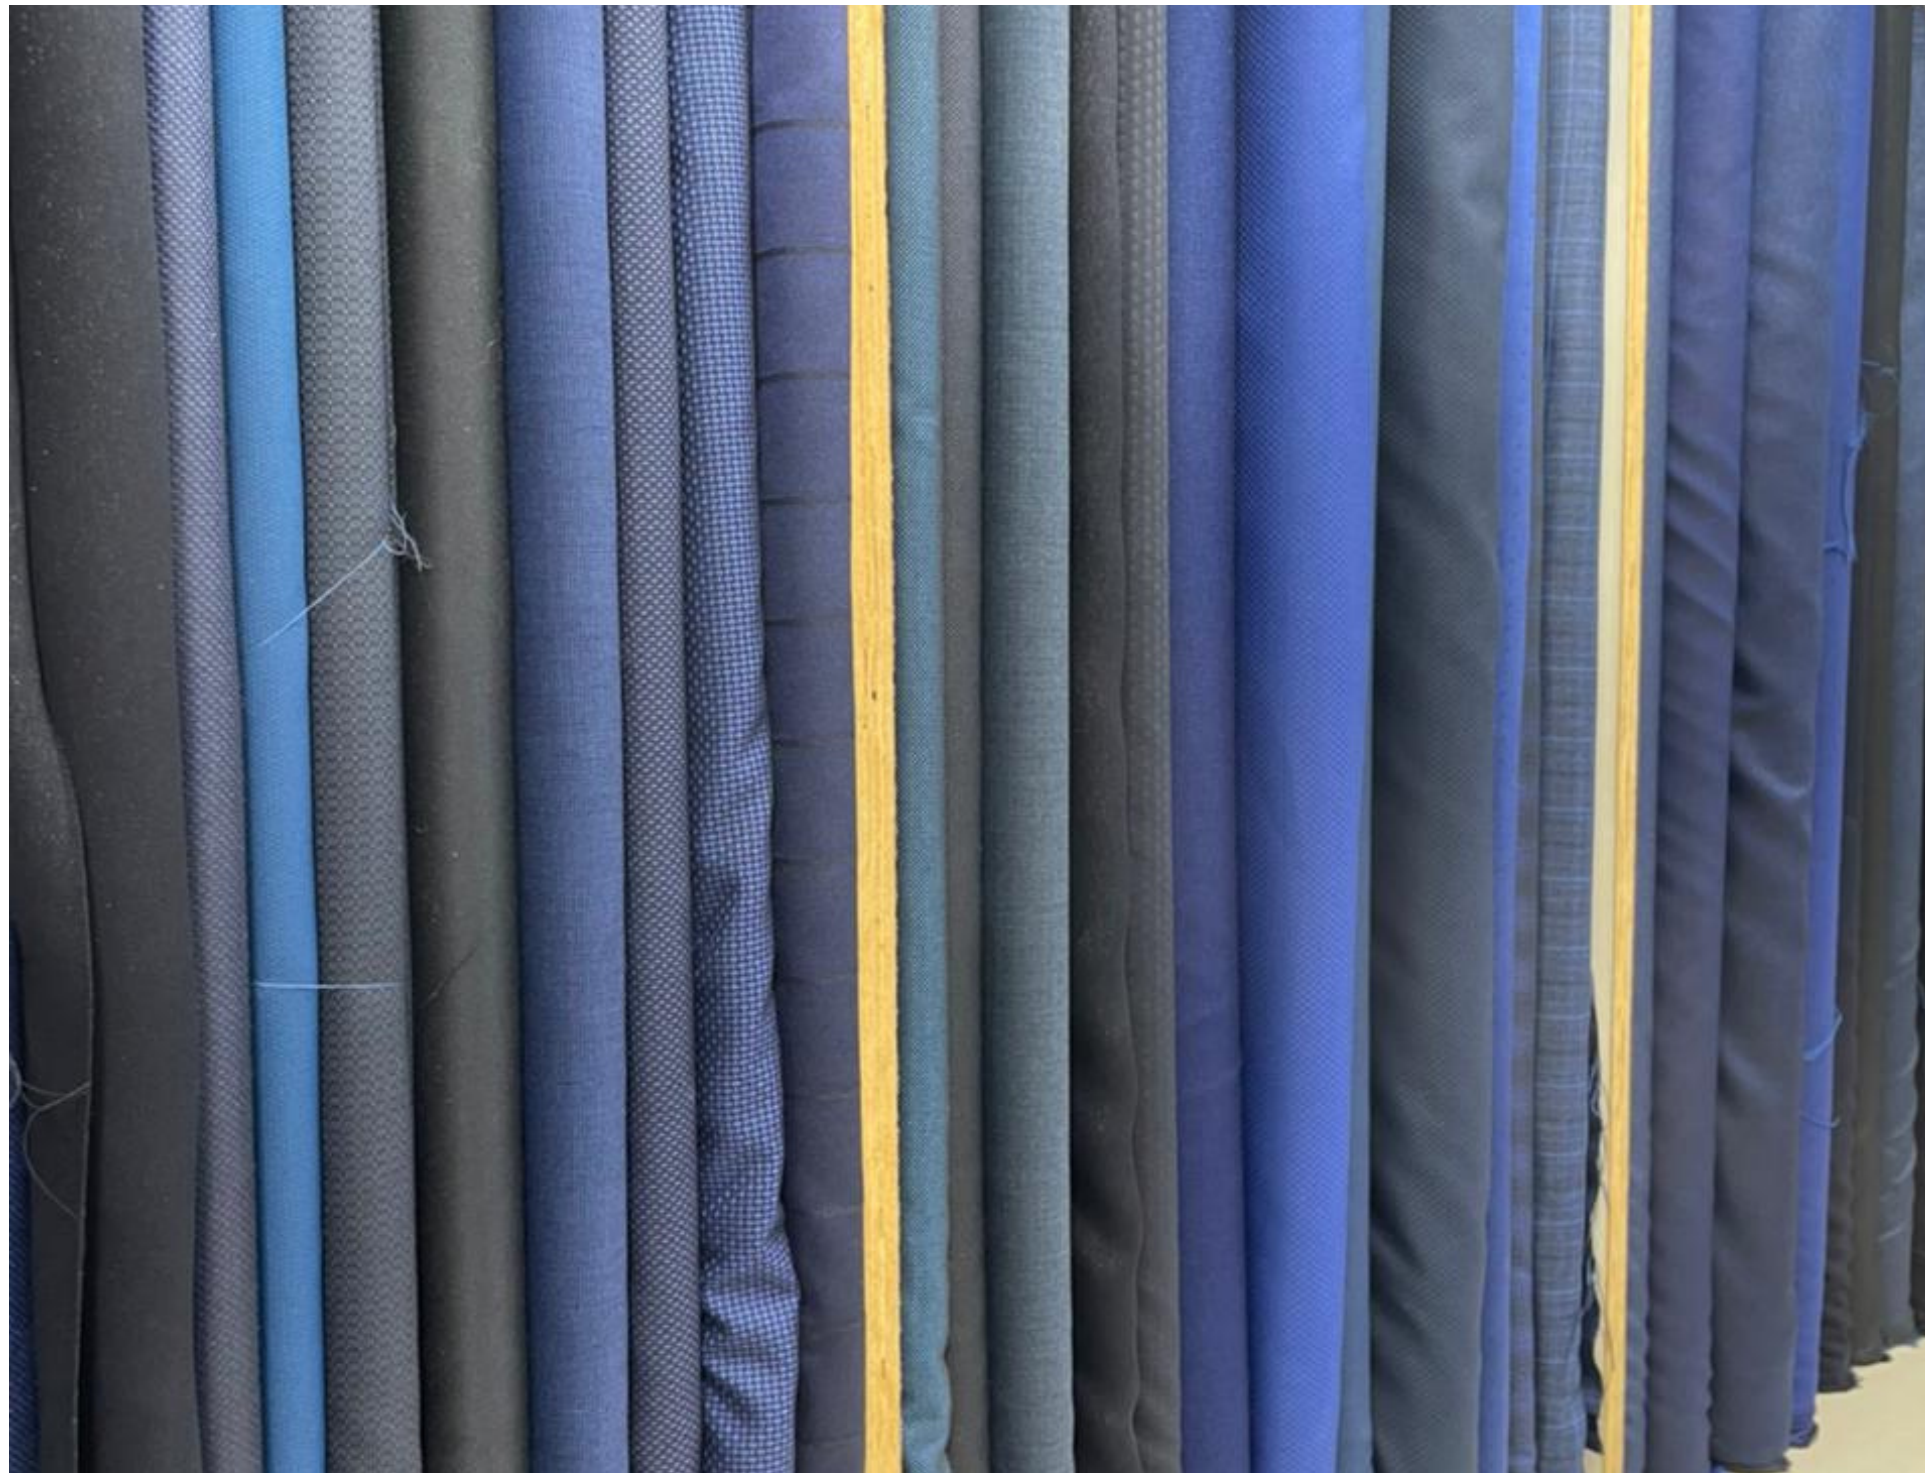

Low Minimum Order Quantity

We believe that every order we get, irrespective of the quantity, is an opportunity to serve you. And our flexible production model allows us to do the same.

CERTIFICATE

The company

, INDIA

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 19.0.76135

for the following articles:

Woven fabrics made of 100 % cotton, cotton/modal, 100 % modal and 100 % viscose, greige voile and reactive printed, finished; produced by using materials certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate is valid until 30.06.2020
